E-newsletter Advertising | Rates & Specifications

Trusted by a loyal audience of cardiovascular and stroke professionals, **Science News** covers breaking news and offers authoritative clinical guidance.

The screenshot displays a typical issue of Science News. At the top is the American Heart Association logo and the title 'Science News'. Below this, there are several article teasers with images and titles: 'Insights on subclinical AF de management', 'Diabetes mellitus increases ischemic stroke risk', 'Incidence of CVD declines in cohort of American Indians', and 'CV risks higher in low walkability neighborhoods'. There is also a 'Recommended' section with a list of guidelines and an advertisement for 'World Stroke Day Webinar' featuring Dr. Gregory Y. Lipman. At the bottom, there is an advertisement for 'The American Heart Association' regarding global healthcare burden.

Custom Webinars

Establish your organization as an industry thought leader by sponsoring a webinar! You provide the content and subject matter experts and we'll manage the entire process from start to finish, including marketing, hosting and moderating. There's no better way to generate leads and grab the attention of industry professionals who need your products and services.

Your webinar sponsorship includes:

- 60-minute time slot
- Hosting services, including practical rehearsal
- Live organizer during the webinar

Pre-webinar

- Banner advertising in Science News weekly edition promoting the webinar to 435,000+ subscribers
- Sponsored Content advertising in Science News weekly edition (*exclusively available to webinar sponsors*)
- Recognition on AHA's Meetings social media platforms, including Facebook and Twitter
- Homepage and ROS banner advertising on Professional Heart Daily

During webinar

- Opportunity to conduct live polls and Q&As through webinar platform

Post-webinar

- Recording of live webinar
- Full list of registrants and attendees (including contact information and titles)

AHA Webinar Policy

Webinars must be educational in nature. Content and materials are subject to AHA approval. All ads must adhere to AHA's Advertising Policy: *professional.heart.org/advertisingpolicy*. Please contact sales representative for full advertising policies and more detailed information on webinars.
