

National Health Care Facilities and Engineering Week

Share your engineering expertise by sponsoring ASHE's Engineering Week!

Every year in the last week of October, ASHE celebrates the important role that facility team members have in ensuring a safe and efficient environment for all patients, residents, visitors and staff within hospitals. ASHE will host three must-attend webinars during the month of October that will provide key content for industry professionals. Highlight your support by becoming a sponsor of these webinars. There's also an additional opportunity to present your solutions to ASHE members with a custom webinar.
